

HIV Evolution: Where Are We in 2015?

Course Objectives

At the conclusion of this activity, the participant will be able to:

Assess the epidemiology and prevalence of HIV in Kane County and the United States

Prescribe appropriate frequency in screening patients who are at risk and choose the most reliable tests

Discuss new pre-exposure prophylaxis guidelines

Evaluate HIV drug interactions prior to prescribing new medications or procedures in the HIV patient

Lunch will be provided. Seating is limited, and the deadline to RSVP is Friday, April 10.

Northwestern Medicine Cadence Health physicians RSVP to Grace Gregory at Grace.Gregory@cadencehealth.org or call 630.933.5351. TTY for the hearing impaired 630.933.4833.

Kane County Medical Society physicians RSVP to Sue Gehm at Sue@kcmsdocs.org or call 630.584.6129.

DISCLOSURE: The presenter and planners for this activity have no relevant financial disclosures to make.

CME Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Illinois State Medical Society through the joint providership of Northwestern Medicine West Region and Kane County Medical Society. Northwestern Medicine West Region designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™.

Physicians should claim the credit commensurate with the extent of their participation in the activity.
